

Meet Dr. MUHAMMAD ZAIDI, MD

Board-Certified Psychiatrist & Addiction Medicine Specialist

Dr. Zaidi is a board-certified psychiatrist through the American Board of Psychiatry and Neurology, and also holds board certification in Addiction Medicine through the American Board of Preventive Medicine. With a strong foundation in clinical neuroscience and a special interest in molecular psychopharmacology, Dr. Zaidi is dedicated to delivering evidence-based, personalized treatment for a wide range of mental health conditions.

At the core of Dr. Zaidi's practice is a commitment to integrating advanced pharmacological approaches with compassionate care. By leveraging the latest developments in molecular psychiatry, Dr. Zaidi aims to optimize treatment outcomes while addressing the unique biological and psychological needs of each patient.

In addition to clinical care, Dr. Zaidi places a strong emphasis on psychoeducation—empowering patients with the knowledge and tools they need to actively participate in their recovery and long-term mental wellness.

Whether you're seeking help for mood disorders, anxiety, or complex psychiatric conditions, Dr. Zaidi offers a thoughtful, science-driven approach tailored to support your healing journey.
